

Welcome to the Community Portal

Our Community Portal allows you to view your child's/children's attendance and their academic results. You'll also be able to update things like emergency contacts, medical information, and reasons for absence. Any updates you provide will be reviewed by the school.

Creating your Community Portal account

The school will send you an email inviting you to create an account. This email will be sent from noreply@schools.sa.edu.au

When you receive the email, click the [link](#) provided, and **create your Community Portal account**.

Enter a username that you will remember.

Create a password.

Read and accept the Terms and conditions.

Click continue.

Navigating your Community Portal

Link to login: <https://desa-portal.civica.education/>

Click or tap the links on the homepage to:

1. view messages sent to your community portal – You'll get an email, when a message is waiting for you in the portal.
2. provide the school with information about your child's absences
3. see the latest school news and school calendar updates
4. view and update the information for your children at the school
5. access the school's Online Learning system (Frog).
